

# Seminar S2

## *Measuring Quality of Universities' Functions*

(Panel)

Vysoká škola manažmentu v Trenčíne  
International Workshop on Knowledge Management  
IWKM 2018

**October, 18 – 19**  
**Bratislava 2018**

**Weak or no language skills**  
English language is creating an issue in international companies

**Insufficient hard skills**  
MS Office, esp. Excel, PowerPoint

**Insufficient soft skills**  
Issues in decision making, lack of critical thinking

**Missing systematic cooperation of the business environment with the academic bodies**

**Lack of systematic approach is balanced only with effort of individuals on both academic and business sides**

**Hard skills**

**Language skills**

**Soft skills**

## Lack of self-reflection from graduates (potential candidates)

- > Year-over-year increasing salary expectations
- > Weak decision making, absence of sense of urgency, no willingness to accept responsibility for own mistakes, lack of responsibility, missing presentation skills, no practical experience during the studies
- > Regional differences across Slovakia
